

September 2017

Dear Sunday School Parents,

Our Sunday morning preschool is designed to help teach our young children about their faith on Sunday's, while their families celebrate Mass. We are here to help support our parents who are choosing to instill our faith in their children's lives at an early age.

I do however need to make one thing extremely clear. No child is to be brought to our Sunday School unless there is at least one parent remaining and attending the 9:30 a.m. Mass. We are a volunteer based program, and are not equipped to handle emergency situations with our preschoolers. If, an emergency arises, we need to be able to go to the Church to find a parent at any given time between 9:30 and 10:30 a.m.

If for some reason you cannot commit to being here during this time period, please contact me immediately, so that we may discuss options for your child. Otherwise, I am asking each parent to sign the following form that says that you commit to being in this building while your child/children are attending our Sunday morning preschool.

As always, we thank you for your continued support, and hope you know that we at the Church of St. Catharine's are committed to assisting parents in the faith formation of their children!

Blessings and Peace,

*Dominica Vullo*
