

Dear Saint Catharine Shawl Ministry Group,

I just wanted to thank you for your beautiful blankets and baby items. I am a labor and delivery nurse at Riverview Medical Center.

Yesterday we delivered a baby boy who died. We wrapped the baby in the little blue sack with the white ribbon after bathing him.

His family was able to see and hold him in the most gentle, beautiful way. We took pictures for them too. This beautiful baby, Jake Nicholas, was wrapped most precious and lovingly, I believe, with your prayers and kindness.

My sadness in providing care was consoled with the prayers and kindness of you ladies (I think) maybe gentlemen too, but probably not.

I am a parishioner of St. Leo's and I am familiar with your wonderful Church.

The baby had on a little blue hat too. I know he must be in the arms of Jesus and the angels.

Thank you, thank you.

Pam Rossano, RN (L&D)

(If you visit Riverview look for our quilt in the 1st floor meditation room. In memory of so many babies)
